BACKING

INDOOR VERSION

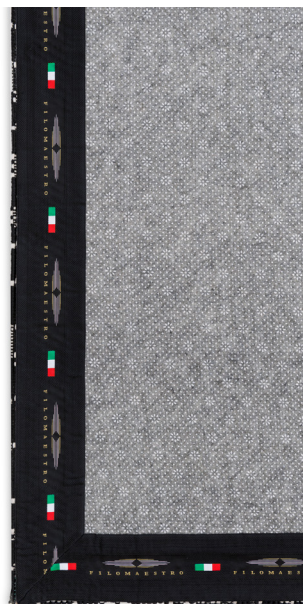

Studiato per conciliare la giusta morbidezza al calpestio, la resistenza all'usura e l'effetto antiscivolo adatto ad ogni superficie.

Rifinito con il nastro tessuto firmato Filomaestro dona al tappeto un'ulteriore tocco di classe.

Filomaestro carpets have been designed to combine the right softness to foot traffic and resistance to wear with an anti-slip effect suitable for every surface.

Finished with Filomaestro signed fabric ribbon, the carpet gains a further touch of class.

OUTDOOR VERSION

In alternativa alla versione Indoor e per permettere l'utilizzo del tappeto in spazi esterni, Filomaestro può essere disponibile con un backing in puro poliuretano totalmente idrorepellente senza precludere la flessibilità e la morbidezza del tappeto.

As an alternative to the indoor version and to allow the use of the carpet in outdoor spaces, Filomaestro is also available with a water-repellent pure polyurethane backing without precluding the flexibility and softness of the carpet.
